lcm95060: LOL... Wait till the world finds out who the scumbucket congressman who did this <http://www.peacefuluprising.org/breaking-tim-dechristopher-transferred-out-of-the-hole-but-questions-remain-20120327> was. MY guess is it's a friend of the gas interest company down your way (TX) which had done exactly the same thing as this Prisoner of Conscience. 'Rigged' a BLM auction process, interfered with and lied to federal investigators.
